Agenda Item	Details	Follow-up
Tina Echeverry, President Elect Welcome, Icebreaker, Mission, Vision, Values & Board Expectations	<u>Welcome, Icebreaker, Mission, Vision, Values & Board Expectations</u> Advance Meeting PPT The Icebreaker was an activity of groups forming Limerick poems for each "Toy Story" movie character. Following the Icebreaker activity, Tina reviewed the mission, vision, and values along with the Board expectations with the incoming 2014 Board and Administrator.	.
Alison Cruess, VP Technology Survey Results	<u>Survey Results</u> (2013 ASTD NEFL Annual Survey PPT) Alison reviewed the results of the survey contained in the PowerPoint presentation. Basically the survey had a shortened, revised format. This change was intended to help the Board focus on gaining feedback on the needs of the membership. Over 1, 000 website guests and members were invited to take the survey. Eighty-six participants started to take the survey, and seventy-six participants actually completed it. This equates to a 90.7% completion rate of the survey, as defined by Survey Monkey's explanation of completion rate. The actual response	..

	<p>rate for the survey was under one percent Alison stated that this year's completion rate was higher than last year.</p> <p>The chapter received 72 open responses: which contained valuable information for program managers and ideas for future planning. These responses are in a report located in HyperOffice>Technology>2013 Survey folder.</p>	
<p>Jeff Geloneck on behalf of Jennifer Jamison, VP Membership</p> <p>Membership Benefits</p>	<p><u>Membership Benefits</u>(Handout1)</p> <p>The handout contains a description of the 2 different types of ASTD national membership plans that will take effect in 2014—The Professional Membership and the Professional Plus Membership. Every ASTD national member will be grandfathered into the Professional Plus for the first year, 2014.</p> <p>Jeff highlighted a couple of the features of these two new memberships. The first was increased fees compared to last year. Jeff also emphasized that the national ASTD members (soon to be Professional/Professional Plus) also receive increased content (resources), as opposed to chapter members. In addition, the members paying and renewing at the Professional membership rate for 2014 will also receive the Professional Plus membership benefits for 2014. Jeff stated that Board members could encourage chapter members to sign up for ASTD national membership in 2013 at the lower ASTD national membership fee to receive the Professional Plus membership benefits in 2014. This would be a good selling point that would help ASTD NEFL meet its 40% CORE requirement.</p>	
<p>Allison Turner, VP Professional Development</p> <p>CPLP Update</p>	<p><u>CPLP Update</u> (Handout2)</p> <p>The CPLP exam is based on the revised competency model. This certification is valid for three years, and candidates must earn re-certification credits to maintain their CPLP designation.</p> <p>The current CPLP Study Groups: should have the study materials to adequately prepare for the knowledge portion of the exam.</p> <p>ASTD administers the CPLP test online. The learning system will only be available through an online learning portal. At the time, there are no available books, flashcards or hard copy materials available for the learning system.</p> <p>The ASTD Learning System is available online</p>	

	The New version (second version) testing of the ASTD Learning System begins in March, 2014.	
Robert Zinsser, President CORE Requirements	<p><u>CORE Requirements</u></p> <p>Advance Meeting PPT</p> <p>The 2013 CORE goal for all chapters is that 40% of chapter members have to be national membership. This goal must be met by 2013. The workbook documenting the CORE requirements is due by the end of January, 2014. Bob has to compile the information.</p> <p>Bob will have a new workbook (color coded) for the Board members and the Administrator by Monday, October 21, 2013. Each Board member (and Administrator) will be responsible for a specific area which is color coded.</p> <p>The CORE Requirements workbook is located in HyperOffice 2013>CORE.</p> <p>Bob requested that outgoing (Alison & Laura) and existing Board members complete their portion of the CORE workbook by the November Board meeting..</p>

According to Robert's Rules, no discussion should be documented. Basically, the topic should be stated along with the results. Detailed, supporting materials on Robert's Rules are contained in Handout 4.</p>	
Rachel Stromberg, Director at Large Chapter Bylaws Review	<p><u>Chapter Bylaws Review</u></p> <p>Membership could only change the Bylaws, not the Board of Directors.</p> <p>Bylaws are included in the New Board Member Orientation Kit in HyperOffice>ChapterAdmin>NewBoard member)..</p>
