

Until Next Year...

I already purchased tickets, but I would like a refund. Is it possible to get a refund?

Yes, a refund is absolutely possible. But if you would rather hold on to your ticket for next year, we will extend your membership (All-inclusive, of course, \$125 value) until the end of 2022 at no additional cost.

What will happen in place of the annual event? Will events be happening in November?

We are working on that answer now, and as soon as we know, you will know.

When will the annual event be rescheduled?

We hope to have a new date identified by the end of the year.

I purchased tickets, will they still be good for the rescheduled event?

Absolutely and for your patience and understanding, we will extend your membership (All-inclusive, of course, \$125 value) until the end of 2022 at no additional cost. We appreciate you!

Will the same speakers return for the next event?

Yes! We are so excited that all our speakers are committed to meeting in person next year when it is safe.

Will the rescheduled event have the same format as this one?

Right now, the answer is yes. If we figure out any ways to add additional value, we may change it a bit but only for the better.
